## STEP 1

### Make sure you have a compatible iPad

Not sure which iPad you have? Instructions here:  
Open **SETTINGS > GENERAL > ABOUT**

Osmo is compatible with all iPads EXCEPT:

- iPad Gen 1
- iPad Pro 11-inch
- iPad Pro 12.9 inch

## STEP 2

### Make sure you have an Osmo iPad base & reflector

---

**STEP 3****Make sure you have an Apple ID**

1. Go to the Apple ID account page and click Create your Apple ID:  
<https://appleid.apple.com/>
2. Enter your name, birthday, email, password, and choose the country or region that matches the billing address for your payment method. The email address you provide will be your new Apple ID.\*
3. Select your security questions
4. Click Continue

---

**STEP 4****Make sure you have an Internet connection**

An internet connection is needed to:

- download the apps onto the iPad
- create a myOsmo account
- sync game progress in myOsmo
- download Words albums
- use search feature in Masterpiece game

---

**STEP 5****Adequate lighting in the room**

Avoid spotlights on the game pieces, ensure that light isn't coming from behind (creates shadows).

---

## STEP 6

### Remove any cases or protective coverings from the device

Only the Osmo Speck case is compatible with the (newly designed) Osmo base and reflector.

---

## STEP 7

### Place your device on the Osmo base and center the reflector over the camera

---

## STEP 8

### Download the Osmo World App

The Osmo World app is a hub that allows you to access all of the game apps from one place. This allows you to switch games quickly and easily without leaving the Osmo World app, but it still requires each game app to be downloaded on the compatible device.

Download the Osmo World app here:

<https://apps.apple.com/us/app/osmo/id1350943542>

---

## STEP 9

### Create a myOsmo account and add a profile for each player

With a myOsmo account, the child's game progress will be saved in case the app gets deleted or the player switches devices.

To create a myOsmo account:

1. Open the Osmo World app
2. Tap **"myOsmo"** in the top right corner
3. Tap **"Create Free Account"**
4. Follow the prompts to create your myOsmo account

---

## STEP 10

### Install each Osmo game from the Osmo World app

To install each Osmo game:

1. Open the Osmo World app and sign in to your myOsmo account
2. Use the carousel of game icons at the bottom of the screen to locate the Osmo games you purchased
3. Tap the **"Install"** button on each game to download the game to your device.

---

## STEP 11

### Launch an Osmo game by tapping on the icon from the Osmo World app

---

## STEP 12

### Download the parent app to your phone in order to keep track of player progress in games

You can download the Parent app by using the search bar in the Apple App Store or Google Play Store.

---
